ANSWER

**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)**

(a)to (c): In 2011, MoRD recognized the multifaceted nature of poverty and conducted the Socio-Economic & Caste Census (SECC) 2011 in collaboration with States/UTs. This census provides comprehensive data on various socio-economic aspects of households, including housing, land ownership, educational status, gender status, disability, occupation, asset ownership, Scheduled Caste/Scheduled Tribe (SC/ST) classification and income. The SECC process was concluded by the Ministry of Rural Development in March 2016. The findings are publicly available on the SECC website (www.secc.gov.in). The SECC data reflect the socio-economic status of 17.97 crore rural households.

The total number of the villages in Firozpur Parliamentary Constituency of Punjab having 100% and 80% Scheduled Castes population (district-wise) respectively (as per SECC 2011) is given below:

State	District	Total villages in District	Total villages having 100% SC population	Total villages having 80% or above (80%-100%) SC population
PUNJAB	Firozpur*	957	24	172
PUNJAB	Sri Muktsar Sahib	232	0	2

***A New District, Fazilka has been carved out from the then undivided Firozpur District and constituted on July 27, 2011 .**

The details of the villages in Firozpur Parliamentary Constituency of Punjab having 80% or above Scheduled Castes population (as per SECC 2011) are at Annexure-1.
