(b) the action being taken in this regard?**

ANSWER

Minister of State in the Ministry of CIVIL AVIATION

(Shri Murlidhar Mohol)

(a) & (b): Government of India (GoI) has formulated a Greenfield Airports (GFA) Policy, 2008 for development of new Greenfield airports in the country. As per the policy, if any developer including the State Government desires to develop an airport, they are required to identify a suitable site and get the Pre-feasibility Study conducted for construction of airport and submit a proposal to the Central Government for 'Site Clearance' followed by 'In-Principle' approval.

On the request of State Government of Gujarat, a multi-disciplinary team of AAI visited the proposed site location for conducting the Pre-Feasibility study and after conducting the study proposed site was found to be technically feasible for the development of an airport at Dahod district.

The Pre-Feasibility Report was sent to the State Government on 22.07.2024. However, State Government has relocated site on account of Tribal area.

Government of India (GoI) has not received any proposal for 'Site Clearance' under Greenfield Airports Policy from State Government of Gujarat (GoG) or any Airport Developer for construction of a Greenfield Airport at Dahod, Gujarat so far.
