(a) to (d): Regional Connectivity Scheme - Ude Desh ka Aam Nagrik (RCS-UDAN) is a market driven Scheme where bidding rounds are conducted from time to time to cover more destinations and routes. Based on their assessment of demand on particular routes, interested airlines submit their proposals connecting the Airports at the time of bidding under UDAN. Manpur (Abu Road) airstrip in Rajasthan is available in the list of unserved airports under the Scheme for bidding. No bid to operate flight to / from Manpur airstrip has been received till the completion of five rounds of bidding under the Scheme. As per the provisions of the Scheme, revival / upgradation of unserved and underserved airports are undertaken on its identification through valid bid and award to the Selected Airline Operator.
