ANSWER

Minister of State in the Ministry of CIVIL AVIATION

(Shri Murlidhar Mohol)

(a) to (d): Under the Regional Connectivity Scheme-Ude Desh ka Aam Nagrik (RCS-UDAN), 114 RCS routes have been discontinued. However, eligible routes that were discontinued in the past rounds due to various reasons such as airline failure, have also been re-bid, awarded and operationalised in the subsequent rounds.

The reasons for discontinuation of routes include the disruptions caused by COVID-19 pandemic grounding of many aircraft due to global aircraft engine issues certain operational challenges such as weather disruptions operational challenges, such as the availability of slots at certain airports or the availability of the requisite aircraft with the airline, shutting down of airlines and low passenger demand on some routes.

The number of inbound and outbound flights from Prayagraj, Banaras, Ayodhya and Lucknow have not been reduced. In fact, flight connectivity has increased due to Maha Kumbh Mahotsav wherein, 81 additional new flights have been introduced to Prayagraj in January, 2025.
