#### **ANSWER**

#### MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI KAMLESH PASWAN)

(a): The Mahatma Gandhi National Rural Employment Guarantee Act (Mahatma Gandhi NREGA), 2005, is an Act to provide for the enhancement of livelihood security of the households in rural areas of the country by providing at least one hundred days of guaranteed wage employment in every financial year to every household whose adult members volunteer to do unskilled manual work.

The Ministry mandates the provision of additional 50 days of wage employment (beyond the stipulated 100 days) to every Scheduled Tribe Household in a forest area, provided that these households have no other private property except for the land rights provided under the Forest Rights Act (FRA), 2006.

In addition to this, there is a provision for up to additional 50 days of wage employment in a financial year in drought/natural calamity affected notified rural areas.

Further as per Section 3 (4) of the Act, the State Governments may make provision for providing additional days of employment beyond the period guaranteed under the Act from their own funds.

(b): State/UT-wise persondays generated beyond (above) 100 days of employment availed by Scheduled Tribes (STs) category in forest right areas (FRA) under Mahatma Gandhi NREGS during the last five years is given at Annexure-I.

State/UT-wise Persondays generated beyond (above) 100 days of employment availed in drought-affected areas under Mahatma Gandhi NREGS during the last five financial year is given at Annexure-II.

Persondays generated beyond (above) 100 days of employment availed in flood areas under Mahatma Gandhi NREGS during the last five financial year is given below:

State	Financial Year	Persondays beyond 100 days in flood areas
Karnataka	2019-20	13440795
Kerala	2019-20	15794775
Karnataka	2020-21	26080817
Karnataka	2021-22	17319166

(c): Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) is a demand-driven wage employment scheme and the responsibility of implementation of the scheme is vested with the Government of concerned States/UTs. The identification of eligible households for additional workdays under Mahatma Gandhi NREGS follows a structured process.

Scheduled Tribes (ST) households in forest rights areas are identified based on land rights granted under the Forest Rights Act, 2006. An additional 50 days of wage employment are provided over and above 100 days in the notified drought affected areas of the States/UTs on recommendation of the Ministry of Agriculture and Farmers Welfare.

(d): While wage payment is made by Government of India directly into the account of beneficiary the material and admin funds is released to the State Government and the State Government releases the funds to its Districts accordingly. The government of India does not release material funds directly to the Districts.

State/UT-wise persondays generated for employment provided beyond (above) 100 days and the corresponding wage expenditure under Mahatma Gandhi NREG during the last financial year since 2019-20 to 2023-24 is given at Annexure-III.

District-wise persondays generated for employment provided beyond (above) 100 days and the corresponding wage expenditure under Mahatma Gandhi NREG during the last financial year since 2019-20 to 2023-24 is given at Annexure-IV.

- (e): Government of India has made assessment of implementation of the Mahatma Gandhi NREGS through third party study in terms of increase in household income, poverty alleviation etc. sponsored by NITI Aayog in 2020. Some of the key findings of the study are as under:
- (i) Mahatma Gandhi NREGA is a powerful instrument for inclusive growth in rural India through its impact on social protection, livelihood security and democratic empowerment.
- (ii) Mahatma Gandhi NREGS provides livelihood security for the poor through creation of durable assets, improved water security, soil conservation and higher land productivity.
- (iii) Mahatma Gandhi NREGS has had a positive impact on the standard of living of households through increase in household income by improvements in production from agriculture.

- (iv) Mahatma Gandhi NREGA has led to major increases in wages of rural workers
- (v) SC, ST and Women along with socially excluded communities benefit from and are included in Mahatma Gandhi NREGA plans which could be a significant indicator of poverty alleviation in rural areas.
- (f): Under Mahatma Gandhi NREGS there is no separate wage rate for any category. In order to compensate workers against inflation wage rate revised every year based on change in Consumer Price Index for Agricultural Labour (CPI-AL).
